IN ASSOCIATION WITH

### SPICED NEGRONI

**Mountain strength gin, vermouth, clove & cocoa infused Campari**

Negroni is a sipping drink, a real warmer upper for a dry pallet. With a sour spiced edge it and pure alcohol content. It will knock your socks of but keep you coming back for more

### BRAMBLE

**Silverback Mountain strength gin, lemon, sugar, Crème De Mure**

This little gem is the Managers Favourite. Its sharp, rich, sweet, refreshing nature makes it a perfect pre-dinner drink. Absolutely berrylitious

### COSMIC HIGHBALL

**Blackback vodka, Cointreau, lime, Hibiscus, bitters and soda.**

A twist on the classic Cosmo. Hibiscus and biters add layers of complexity and bring this drink into the 21st century. Topped with a dash of soda this refreshing drink can be enjoyed on a summers afternoon.

### GORILLA GIMLET

**Silverback Old Tom, lime, sugars, fresh ginger and soda.**

A refreshing take on the classic gimlet. If you thought fresh ginger and lime juice was just for cooking, think again. This fresh, zesty, punchy drink is a great pallet livener before dinner or in full sunshine on the terrace.

### ELDERFLOWER COLLINS

**Silverback Old Tom, St Germain elderflower, lemon, sugars and soda**

A fantastic twist on the classic Tom Collins, blending floral elderflower liqueur, citrus and our favourite Old Tom in a highball over tons of ice.

## BLOODY MARY

**Blackback Vodka, tomato juice, lemon, bitters, tabasco and Worcestershire sauce**

Not just for the morning after the night before, this old fashioned drink is made more delicious by premium Gorilla vodka and celery bitters.

## RASPBERRY SPRITZ

**Silverback Mountain Strength, lemon juice, sugars, raspberries and soda**

A thirst quenching drink that has an explosion of flavours. Its simple, long and allows the sweet aromatic raspberries to take centre stage. A definite must try for breakfast, lunch or dinner and any other time in-between.

## ESPRESSO MARTINI

**Black cow vodka, Kahlua, white crème de Cacao and espresso**

This drink works well on its own as a party cocktail, or as an excessively luxurious digestif after your main meal – both the coffee and the Kahlua liquor aid digestion. If you're feeling particularly decadent, you can do away with the coffee course entirely and head straight for this to make sure that you escape that fatal after-dinner lull that so often plagues.

## • SILVERBACK GIN •

### Silverback Mountain Strength Gin

9.20 50ml

A gin with the power and strength of its namesake gorilla. At 46% abv, and with a strong but gentle character. Silverback Mountain Strength Gin is best served with Mediterranean tonic over plenty of ice and with a twist of orange & thyme to garnish.

### Silverback Old Tom

9.20 50ml

Old Tom blends our contemporary style gin with a style which became popular in 18th-century England. You will find this gin packed with flavour and a little sweeter than London Dry and perfectly complimented by a zesty grapefruit twist and Fever Tree tonic
